**CIVIC SQUARE, ACT, 2608**

Licence No. **SA15632**  
Expiry Date: **15 June 2010**  
Date of Birth: **26 November 1946**

Licensed on behalf of: **CUSTOM SECURITY SERVICES PTY LTD**  
**Shop 1A Colville Street, North Lyneham, 2606**

Your Security Agents Licence authorises you to supply licensed:

security officers  
security consultants  
security installers

in accordance with the provisions of the Security and Related Activities (Control) Act 1996 and subject to the following conditions and restrictions imposed by the Licensing Officer:

Your licensed security officers shall only possess or carry a firearm and/or baton with the appropriate endorsement on their licence.

Where a licensed security officer also holds a crowd controller's licence this does NOT authorise the possession or carrying of a firearm and/or baton whilst performing the functions of a crowd controller.

**CENTRAL STATIONS AND SIGNALLING LINKS:**

Should your business monitor security alarms, your Security Agents Licence authorises you to supply licensed security officers to carry out electronic surveillance duties in your central station, provided that your central stations and signalling links are built in accordance and comply with the specifications as published by the Standards Association of Australia "Australian Standard 2201. Intruder Alarm Systems, Part 2 - Central Station and Signalling Links".

An ASIAL Certificate of Compliance is to be provided to the licencing officer prior to commencing operations. Continued operation is dependent on the maintenance of this certification and the current certificate is to be provided upon each subsequent grading.

**PUBLIC RISK INSURANCE:**

Your agency is required to maintain an adequate insurance policy to cover any public risk (public liability insurance).

You are required to supply to Commercial Agents proof of continuing insurance. Your current insurance expires on the 30 June 2007.
